Dear Member,

During these uncertain times, belonging to a strong and effective Union is crucial.

D&G Union has managed to keep its subscription unchanged for over seven years but reluctantly will need to make a modest increase to help meet the rising costs of providing the best possible service for its members.

From the 1st May 2022 the amount collected per month will be will be £11.45. (This will be done automatically so there will be no need for you to change anything)

Thank you again for your continued support and for the latest news and information, check out our website at: www.dngunion.com
